SUMMARY

Graduate Electrical and Information Engineer with industrial training in telecommunications and broadcast network operations at ZTE Lanka and Sri Lanka Rupavahini Corporation. Strong foundation in TCP/IP, IP addressing, routing and switching, mobile network infrastructure, and network performance monitoring. Proficient in Cisco Packet Tracer and Cisco Modeling Labs (CML). Passionate about building a career in Network Engineering and Telecommunications.

WORK EXPERIENCE

- **Sri Lanka Rupavahini (TV) Corporation** **November 2024 - February 2025**
 - Assisted in the operation and maintenance of broadcast transmission, networking, and IT infrastructure.
 - Supported troubleshooting and preventive maintenance of broadcast and communication systems.
 - Gained practical exposure to IP networking and broadcast operations.
- **ZTE Lanka (Pvt) Ltd** **October 2023 - January 2024**
 - Supported BTS deployment and telecommunications infrastructure implementation for Mobitel projects.
 - Coordinated subcontractor teams and monitored site activities to ensure compliance with engineering specifications.
 - Assisted in site inspections, transmission infrastructure verification, and project documentation.

EDUCATION

- **University of Ruhuna** **2021 - 2026**
 - BSc. Eng (Hons) in Electrical and Information Engineering
 - All examinations completed – Results pending
 - GPA: 3.01/4.00 (Current - Final Results Pending)
- **ESOFT Metro Campus** **2020**
 - Diploma in Information Technology (DiTEC)
- **Dharmaraja College, Kandy** **2005 - 2019**
 - G.C.E. A/L Examination (2019) - Combined Mathematics(A), Physics(B), Chemistry(B)
 - G.C.E. O/L Examination (2015) - 9As

CERTIFICATIONS

- **Fortinet Certified Fundamentals in Cybersecurity – Fortinet (2026)**
- **Introduction to Cybersecurity – Cisco Networking Academy (2026)**
- **CCNA: Introduction to Networks – Cisco Networking Academy (2026)**
- **CCNA: Switching, Routing, and Wireless Essentials – In Progress**
- **AWS Certified Solutions Architect Associate - In Progress**

SKILLS

- **Networking:** TCP/IP, OSI & TCP/IP Models, IPv4 Addressing & Subnetting, Routing & Switching Fundamentals, VLANs, Inter-VLAN Routing Concepts, Basic ACLs, Network Topology Design

- **Network Operations:** Mobile Network Infrastructure (2G/3G/4G), MOP, Network KPIs, QoS/QoE Fundamentals, Performance Monitoring, Incident Documentation
 - **Networking Tools:** Cisco Packet Tracer, Cisco Modeling Labs (CML), Wireshark (Basic)
 - **Programming:** Python, C, C++, JavaScript, MERN Stack
 - **Machine Learning & AI:** Basic understanding of ML, ANN, CNN, RNN, LSTM
-

PROJECTS

Group:

- **Privacy-Preserving Hybrid Face Recognition System (Final Year Project):** Developed a hybrid face recognition system focusing on privacy preservation by avoiding raw biometric storage.
 - **Technologies Used:** Python, OpenCV, NumPy, Scikit-learn, TensorFlow, CNN-based feature extraction, NeuralHash inspired encoding, Hyperdimensional Image Classification (HDIC), Matplotlib, Pandas, Git, GitHub, VS Code, Jupyter Notebook
- **Online Reservation System for SRS Sports Complex (MERN Stack):** Developed a full-stack web application to manage sports court reservations and time slots, including user authentication, booking management, and database integration.
 - **Technologies Used:** JavaScript, React.js, Node.js, Express.js, MongoDB, REST APIs, GitHub, VS Code

Individual:

- **Scalable Campus Network Design:** Designed a three-tier campus network with VLAN segmentation, structured IP addressing, and redundancy, validated through network simulation.
 - **Technologies Used:** Cisco Packet Tracer, VLANs, Inter-VLAN Routing, IPv4 Subnetting, Routing Protocol Concepts, Network Architecture Design, ACLs
 - **Online Hotel Room Reservation System (MERN Stack):** Built a web-based hotel reservation system allowing users to browse rooms, make bookings, and manage reservations with backend API support.
 - **Technologies Used:** JavaScript, React.js, Node.js, Express.js, MongoDB, REST APIs
-

EXTRACURRICULAR ACTIVITIES

- Contributed to the “Mehewara” seminar series organized by the Faculty of Engineering, University of Ruhuna for O/L students in rural areas
 - Treasurer of the Mahinda House, Dharmaraja College (2016-2017)
 - Member of the college under 13 and 15 cricket teams (2012 and 2014)
-

NON-RELATED REFEREES

Dr. Iromi Ranaweera

Senior Lecturer
Department of Electrical and Information
Engineering
University of Ruhuna
