TRANSCRIPT

Diploma In Information Technology (DITEC)

Name in full: H A Sajana Induwara Bandara Senanayake

Registration Number: KAN/A-012516

Course Overview

DITEC is a foundation pathway, consisting of topics in line with the current trends in Information Technology. The duration of the course is five months (242 theory hrs& 220 practical hrs) consisting of ten compulsory modules along with a Windows based final project.

Project

Project can be done as per students area of interest and they are required to utilise C#.NET as the programming language. The completion of the project is compulsory.

Practical Work

220 practical hours are allocated for each student. Throughout the sessions, the students are provided with a substantial amount of practical exposure.

Examination

Examinations are conducted via our online platform and consist of multiple choice questions.
