07th January 2024**To whom it may concern,**

This is to certify that Senanayake H.A.S.I.B. has successfully completed the training program conducted by ZTE Lanka PVT.Ltd. The training program took place from 16th of October 2023 to 07th of January 2024.

During the training period, candidate exhibited a high level of dedication, enthusiasm, and a strong commitment to learning. He actively participated in all training sessions, demonstrated a keen understanding of the subject matter, and successfully completed,

Site Installation and Commissioning:

- Successfully executed new and upgrade site installations, including live cut-overs involving BTS swaps, CC card upgrades, antenna swaps, and RRU swaps.
- Proficient in configuring various BTS models such as W201, W301, 8900A, and 8900.
- Expertise in ZTE MW configuration and CTN routers configuration.
- Conducted thorough site surveys for both new installations and upgrades, collecting tower details and proposing antenna height, azimuth tilt, brackets, and extension bars.

Documentation and Reporting:

- Prepared detailed TSSR for site surveys and handled PAT documentation.

ERP System and KPI Monitoring:

- Worked seamlessly with Mobitel (Pvt) Ltd's ERP system.
- Monitored and handled KPIs, analyzing and clearing issues in 2G, 3G, and 4G networks.
- Attended to special events and VIP/P1 & P2 incidents, working closely with the Customer Experience Enhancement team.

Collaboration and Communication:

- Collaborated effectively with regional technical and operational teams to enhance network quality and user experience.

Project Management:

- Led new site planning, surveying, implementation, and follow-up to completion.
- Conducted neighbor planning and advanced parameter configuration for new sites.

We wish him success in all future endeavors.

Best Regards,
Mr. Chaminda S. Bandara,
Project director Mobitel projects,
ZTE Lanka PVT.Ltd
