SUMMARY

Graduate Electrical and Information Engineer with practical exposure to telecommunications infrastructure and broadcast network operations through industry training at ZTE Lanka. Possess strong knowledge of TCP/IP networking fundamentals, transmission concepts, and mobile network infrastructure, along with an understanding of network performance monitoring principles and KPIs. Familiar with VLAN concepts, IP addressing, and basic routing principles through academic and simulation based learning. Highly motivated to build a career in network and telecommunication engineering supporting reliable network operations and infrastructure performance.

WORK EXPERIENCE

- **Sri Lanka Rupavahini (TV) Corporation** **November 2024 - February 2025**

Gained experience in broadcast, networking, and IT infrastructure systems through the training at SLRC.

- **ZTE Lanka (Pvt) Ltd** **October 2023 - January 2024**

Worked as a Trainee - Site Engineer in Mobitel Projects in the regional areas of Kandy, Kegalle, Matale, Kurunegala.

EDUCATION

- **University of Ruhuna** **2021 - 2026**

BSc. Eng (Hons) in Electrical and Information Engineering

All examinations completed – Results pending

GPA: 3.01/4.00 (Current - Final Results Pending)

- **ESOFT Metro Campus** **2020**

Diploma in Information Technology (DiTEC)

- **Dharmaraja College, Kandy** **2005 - 2019**

G.C.E. A/L Examination (2019) - Combined Mathematics(A), Physics(B), Chemistry(B)

G.C.E. O/L Examination (2015) - 9As

PROJECTS

Group:

- **Privacy-Preserving Hybrid Face Recognition System (Final Year Project):** Developed a hybrid face recognition system focusing on privacy preservation by avoiding raw biometric storage.
 - **Technologies Used:** Python, OpenCV, NumPy, Scikit-learn, TensorFlow, CNN-based feature extraction, NeuralHash inspired encoding, Hyperdimensional Image Classification (HDIC), Matplotlib, Pandas, Git, GitHub, VS Code, Jupyter Notebook
- **Online Reservation System for SRS Sports Complex (MERN Stack):** Developed a full-stack web application to manage sports court reservations and time slots, including user authentication, booking management, and database integration.
 - **Technologies Used:** JavaScript, React.js, Node.js, Express.js, MongoDB, REST APIs, GitHub, VS Code

Individual:

- **Scalable Campus Network Design:** Designed a three-tier campus network with VLAN segmentation, structured IP addressing, and redundancy, validated through network simulation.
 - **Technologies Used:** Cisco Packet Tracer, VLANs, Inter-VLAN Routing, IPv4 Subnetting, Routing Protocol Concepts, Network Architecture Design, ACLs
 - **Online Hotel Room Reservation System (MERN Stack):** Built a web-based hotel reservation system allowing users to browse rooms, make bookings, and manage reservations with backend API support.
 - **Technologies Used:** JavaScript, React.js, Node.js, Express.js, MongoDB, REST APIs
-

SKILLS

- **Networking:** TCP/IP fundamentals, OSI & TCP/IP models, IPv4 addressing & subnetting, routing & switching basics, VLAN concepts, basic network security
 - **Network Operations:** Method of Procedure (MOP) – understanding of structured network change procedures and rollback concepts
 - **Network Analytics & Performance Monitoring:** Network KPI awareness, basic QoS/QoE concepts, performance analysis fundamentals
 - **Networking Tools:** Cisco Packet Tracer, Cisco Modeling Labs (CML)
 - **Programming & Application Development:** Python, C, C++, MERN Stack, REST APIs
-

CERTIFICATIONS

- **Fortinet Certified Fundamentals in Cybersecurity – Fortinet (2026)**
 - **Introduction to Cybersecurity – Cisco Networking Academy (2026)**
 - **CCNA: Introduction to Networks – Cisco Networking Academy (2026)**
 - **CCNA: Switching, Routing, and Wireless Essentials – In Progress**
 - **AWS Certified Solutions Architect Associate - In Progress**
-

EXTRACURRICULAR ACTIVITIES

- Contributed to the “Mehewara” seminar series organized by the Faculty of Engineering, University of Ruhuna for O/L students in rural areas
 - Treasurer of the Mahinda House, Dharmaraja College (2016-2017)
 - Member of the college under 13 and 15 cricket teams (2012 and 2014)
-

NON-RELATED REFEREES

Dr. Iromi Ranaweera
